The press on previous London Bubble Christmas shows:

**"One of the best slices of Christmas entertainment on offer in the capital"**

London Evening Standard, on Ali Baba & the Forty Thieves (2002)

# SPANGLEGUTS

A fairly scary fairy tale

London Bubble, famed for its fantastically successful Christmas shows, returns to the unique space of **The Albany**, with a very different sort of seasonal entertainment - a tale that will make you shake with laughter and tingle with fear.

**Spangleguts** is based on an Italian tale, a tale that gave us Snow White and Sleeping Beauty - but they left out the best bits. Now we bring you the real and much more exciting story featuring an evil schoolteacher, a thirsty cliff-top lemon tree, a talking book, two deaths, a runaway horse, a dashing prince, a blabbermouth eagle, and the fairies with holey socks.

And of course - **Spangleguts**, a girl in search of a name.

The Albany Theatre is one of London's most exciting venues. An intimate, atmospheric space where the audience surrounds the stage, and feels the full power of the story unfolding just inches away.

**"I loved every minute of it"**

The Times, on Mother Goose and the Wolf (2003)
